Winter Olympians are madly finalizing preparations for the February 2018 Olympics in PyeongChang, South Korea.

Like those Olympians, we are madly preparing for a big change and challenge here at the library.

Beginning March 5, 2018, the torch will be burning a lot longer each week at the library. Library users will be happy to know we will move

from a 22.5 hours/week schedule to a 37 hours/week schedule.

It's a big step and will take a LOT of getting used to for both staff and library users.

However, the expanded hours will allow us to serve the community in a greater way.

This schedule is more standardized and should, therefore, be easier for library users to remember.

More hours means more convenience and access to library items, staff and computers for everyone.

The new schedule also adds two more days that the library is available for the after-school crowd.

Reminders will be posted around town, on our website and Facebook, and at the library.

Thank you for your patience while we all adjust to the new schedule.

Library Hours beginning March 5, 2018

MONDAY & THURSDAY

1:30 - 8:00 pm

TUESDAY, WEDNESDAY, FRIDAY

10:00 am - 5:00 pm

SATURDAY

10:00 am - 1:00 pm

Super Saturday Cinema Feature Based on the Book by Charles Martin

Popular novelist Charles Martin has written a page-turning story of love and survival in his book *The Mountain Between Us*.

Stranded after a tragic plane crash, two strangers must forge a connection to survive the extreme elements of a remote snow-covered mountain.

When they realize help is not coming, they embark on a perilous journey across the wilderness.

The major motion picture based on this book is our Super Saturday Cinema feature presentation on **Saturday, February 3, 2:00 pm**, at the library.

It stars Idris Elba, who

was nominated for an Image Award for Best Actor in a Motion Picture, and Kate Winslet.

This movie received an **MPAA rating of PG-13** for a scene of sexuality, peril, injury images, and brief strong language.

NEW and Coming Soon: STEAM Super Saturdays

You may be familiar with the term STEAM as it applies to learning. The letters stand for Science, Technology, Engineering, Art and Math.

While we are not attempting to comply with any

mandated standards, we are offering library users an opportunity for some gently guided, hands-on activities with those five topics in mind.

So far, the items we have acquired include Elec-

tronic Snap Circuits, 3D Doodler Pen, Cube-tastic! and a stamping kit.

Stay tuned for more on this. These Saturdays are tentatively scheduled at the end of February or the beginning of March.

What Can We Do To Improve Your Library?

Welcome to 2018!

It's a new year and we are in the midst of planning purchases and events that we hope you will enjoy.

However, we would like to hear from YOU!

What has the library done in the past that you would like to see happen again?

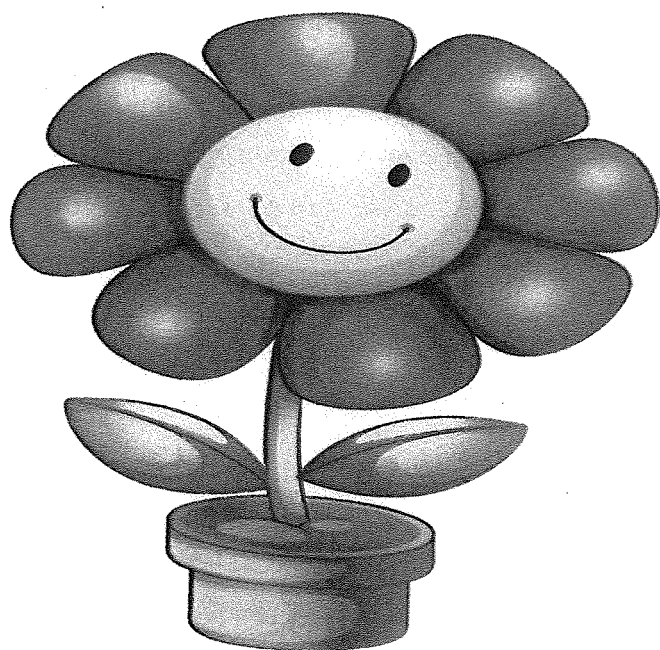

What items would you like to see carried in the library?

What new things would

you like to see happen in the library?

We would love to hear your ideas. Call, email or reach out to us on Facebook.

Here We Grow!

Cold Weather Play

Playing outside is healthy
for children

- Outdoor air has fewer germs than indoor air.
- Sunlight helps the body make vitamin D needed to grow.
- Letting children be noisy and active decreases stress, improves behavior, and improves sleep.
- Playing outside actually reduces the risk of getting a cold.

The Cottonwood Pediatrics Advantage

- Short wait times - usually less than 30 minutes
- Available appointments - there is one provider with open appointments every day; call early for best choice
- Admitting privileges at Newton Medical Center
- We take care of your child in the hospital & are available to the medical staff at the Newton ER for our patients
- Open to all newborns - older children by transfer

Frederic Remington Area Historical Society

February 5, 2018, Monday at 7:00 p.m. at Frederic Remington High School, 8850 NW Meadowlark Road, Whitewater, KS 67154. Sponsored by the Kansas Humanities Council.

Jane Rhoads will present Opera House Culture on the Kansas Frontier. Ms. Rhoads' book, *Kansas Opera Houses, Actors & Community Events 1855-1925*, selected as a 2009 Notable Kansas Book, highlights the importance of Kansas' opera houses to the cultural and social development of Kansas during the last half of the 19th century and the early 20th century. Opera houses were home to important community events such as dramatic productions, commencements, and traveling theater performances. Settlers arriving from European countries and eastern U.S. cities brought with them ideas of the cultural life they wanted to establish. The types of civic, cultural and dramatic entertainments that occurred in these structures and the actors who graced their stages will be discussed. A focus will be on opera houses located in southcentral Kansas communities and the activities that were held there.

NORTH BUTLER 4-H

The North Butler 4-H Club met on December 11, 2017 at the Emmaus Church. Roll call was "My Christmas vacation starts..." Ten members were present. The program started with Harley McLaughlin leading the club singing "Jingle Bells" and "Away in a Manger." Austin Miller gave a project talk about his bucket calf, Sally. A talent was shared by Makenzie Creekmore. She played "Good King Wenceslas" on her saxophone. Harley McLaughlin gave a project talk on the ten most important things you need to take to the fair for your bucket calf. To end all the fun, we had a game led by Eben Busenitz called Steal the Bacon. Our next meeting will be on January 8, 2018 at 7:00 pm at the Emmaus Church.

Council meetings the 4th Monday of each month at 7:00 p.m. at the City Building, open to the public.

Mayor: Patrick Ryan, Council: Derek Klaassen, Dennis Nelson, Dan Ravenscraft, Bill Reynolds, Lyle Thorne

January 22, 2018

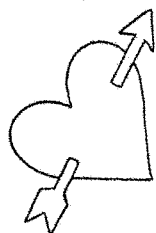

Shane Tillotson was present to share a Remington Booster Club idea and to ask for their support. They would like to purchase a carport to be placed between the two ball diamonds to be used for serving concessions during the high school games. The council voiced their support.

Darryl Claassen talked about the storm sirens. He asked if Don Berg and Officer Wacławski could be added to the list of storm spotters that can call in to have the sirens activated when necessary. They will be added.

Officer Wacławski reported that there had been two vehicle accidents recently. He has been reviewing the code book regarding abandoned and junk vehicles.

Don Berg reported on a KDHE inspection by the Dept of Labor. They are to do an inspection every five years. In February they will be doing a water system inspection, this is done on a three year basis. Street work for 2018 was discussed. Some options will be looked into. Some electric work will be done before the spring season of baseball begins.

There being no further business council was adjourned.

Comics vs Graphic Novels: What's the Difference?

Comics are serialized stories (periodicals) told in words and pictures, sometimes over a period of years; also described as sequential visual art, usually with text, that are often told in a series of rectangular panels.

Graphic novels are simply single publication

book-length comics. They tend to be much longer and more complex.

"Why do I need to know this?" you ask. Though this knowledge may not dynamically affect your everyday life, it does give you the ability to discern the difference between items you may see in the library.

Comics for all ages have perennially been present on library shelves but only recently have we begun to build the graphic novel collection.

Some of the comics currently available include Garfield, Peanuts, Calvin & Hobbes and Batman.

Graphic novels include The Hardy Boys and Nancy Drew, Star Wars, Half-Pipe Panic, Friends with Boys, Nascar Heroes, Big Nate, and Renegade (Martin Luther).

Super Saturday Cinema to Feature Children's Movie

This #1 NY Times best-seller has been read by over 6 million people and made into a major motion picture starring Julia Roberts, Jacob Tremblay and Owen Wilson.

Written by R.J. Polacio,

Wonder features 10-year-old August Pullman, an ordinary boy with an extraordinary face. He is a hero to root for and

proves "you can't blend in when you were born to stand out."

See the movie based on the book at the library on Saturday, February 24, 10:00 am.

S.T.E.A.M. Super Saturdays Set For March 3 and 10

As mentioned in last month's newsletter, S.T.E.A.M. stands for Science, Technology, Engineering, the Arts, Math in the educational field.

School systems are focusing on these areas and we want to come alongside and offer families the opportunity to play together while learning concepts

(don't tell the kids!) such as creativity, design, planning, building and spatial reasoning.

For these family events, there will be five manned stations with a different fun challenge at each one. Parents, you do NOT need to know anything about electricity or math or art, etc. The fun comes

when you work together with your child to discover new things and conquer new challenges!

Kansas Book Festival Writing Contest: "Describe Kansas"

Children in grades 3-12 are eligible to win cash prizes in this essay-based contest.

All they have to do is write an essay of a certain length and make a clear connection between the

word or phrase chosen and an aspect of Kansas, such as the state's history, landscape, people, traditions, etc.

Entry deadline is April 30.

Winners will be notified by July 31 and recognized

at the 2018 Kansas Book Festival on September 8.

For information see www.kansasbookfestival.com and click on Outreach Efforts for the Youth Writing Contest.

Cold Weather Play

Playing outside is healthy
for children

- Outdoor air has fewer germs than indoor air.
- Sunlight helps the body make vitamin D needed to grow.
- Letting children be noisy and active decreases stress, improves behavior, and improves sleep.
- Playing outside actually reduces the risk of getting a cold.

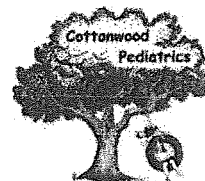

The Cottonwood Pediatrics Advantage

- Short wait times - usually less than 30 minutes
- Available appointments - there is one provider with open appointments every day; call early for best choice
- Admitting privileges at Newton Medical Center

It has been ten years since the old Emmaus Mennonite Church building burned down (January 29, 2008). On Sunday, February 18 at 7pm, Emmaus will be holding a time of sharing memories from the old building as well as a time of sharing about God's faithfulness. All are invited to attend. A time of fellowship will follow the service.

STORM SPOTTER TRAINING

Conducted by Butler County Emergency Management

March 7, 2018 7:00 PM

American Legion Building

Whitewater, KS

Come learn how you can have an active part
in recognizing dangerous weather events
and be prepared to help protect your family
and community.

Call Darryl at 799-2121 with questions

PREPARING FOR SEVERE WEATHER

Typically, severe weather season begins in the spring in Kansas, but it can occur at any time. Do not wait for severe weather to arrive to create a plan — severe weather will not wait for you.

Spend time with your family now to identify plans for communication and action, so if the need arises, anyone can react quickly and know where to go if there is a tornado warning.

Here are a few suggestions from Harvey County Emergency Management to get the conversation started.

TAKE STEPS TO MAKE A PLAN TODAY

1. Take responsibility. Prepare. Be proactive. Regularly check the weather forecast.
2. Identify places you can seek shelter. Think about where you would go if you were at home, at school, at work, or on the go.
3. Practice your plans. Every member of your family needs to know where to go when a weather warning is issued, and how to get information if storms are approaching.

KNOW HOW YOUR COMMUNITY SENDS WEATHER ALERTS

1. Listen for an outdoor warning system. Sirens are one way to alert the public of severe weather. However, they often cannot be heard indoors, and should not be your only source of information.
2. Get a National Oceanic and Atmospheric Administration (NOAA) weather radio. A weather radio can alert you of weather watches and warnings any time of day. The National Weather Service in Wichita operates the transmitters.
3. Check local media. From television to radio to social media to apps on your smartphone, these outlet will help inform you of watches and warnings in your area.

Council meetings the 4th Monday of each month at 7:00 p.m. at the City Building, open to the public.

Mayor: Patrick Ryan, Council: Derek Klaassen, Dennis Nelson, Dan Ravenscraft, Bill Reynolds, Lyle Thorne

February 26, 2018

Cherry Stucky was present to ask about Centre Point Church having a 5K run in the city as a fundraiser for a missions trip they are planning. Once the date is set she will let the Mayor & City Council know. They are planning for April.

Don reported on the 3-year water inspection of February 15. Changes suggested from the Department of Labor inspection should be completed soon. The report will then be sent in. Bids for street work were presented. South Central Sealing and Paving's bid was accepted. The work will be done in two phases. Patching soon and seal work this summer.

The Animal Control Report and Court Docket for February were presented. Expenditures were approved as presented.

A notice for summer help will be placed in the March newsletter. Applications can be picked up and turned in at the city office. Interviews will take place after that.

A letter of engagement from Geroge, Bowerman, & Noel for the 2017 Audit and the 2019 Budget. A motion was made to accept the letter of engagement. Motion carried.

A list of late water customers will be presented to the council each month. The .5% sales tax will begin April 1. The money is designated for streets, water, and sewer.

There being no further business council was adjourned.

Library Awarded Directed Donation From the Monsanto Company

Like many people, the library strives to stretch its budget dollars as far as possible. Sometimes it is easy and sometimes it's a real challenge.

For the next six months that challenge will be made a little easier thanks to the Monsanto Fund.

In March the library received a **\$2,500 America's Farmers Grow Communities** donation on behalf of Butler County farmer (and library user), Stephanie Entz.

Entz was selected earlier this year by Monsanto to direct their next AFGC donation and she suggested the library.

The purpose of the Grow Communities program is to partner with farmers to make a positive impact in farm communities across the country by supporting local nonprofit organizations.

Since the program began in 2010, more than \$29 million has been directed to organizations across rural America.

Watch future newsletters, the library website and Facebook for more information.

Shuffle on Down to the Library For Spring Break Game Day

Remember Monopoly Day at the library during Spring Break 2017?

It was such a hit and we've had so many requests for another game day that we have scheduled another one!

This Game Day will take place on Saturday, March 24, from 10:00

am - 1:00 pm at the library. Of course, tasty refreshments will be served.

We will have some card games and decks of playing cards on hand or you can bring your own.

RMS 5th Graders Make Story Time Extra Special

Mrs. Klaassen brought her 5th grade students from RMS to read to Miss Julie's Story Time children on February 26.

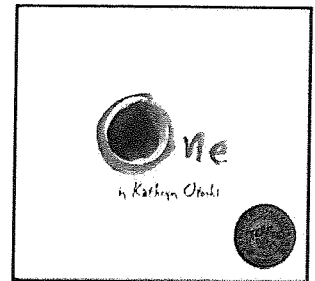

"Colors" was the theme for the day. The students read four books and

helped the children with their rainbow craft.

One of the books they read was called "One" by Kathryn Otoshi (see photo).

Thank you for coming!

See you next year.

S.T.E.A.M. Super Saturdays: Fun and Educational

The first two Saturdays in March were full of fun and learning at the library.

Around 40 adults, teens and children spent time making cards, arranging canines on a grid (there's

a knack to it!), assembling electronic snap circuits, solving a Rubik's cube and building 3D items with filament.

These items will now be available for checkout to

use **in the library**. See a librarian to do so.

This would be a fantastic inter-generational activity now that the library is open more hours!

NORTH BUTLER 4-H

The North Butler 4-H Club welcomed new members Alyssa Klingenberg and Ella Amend at their February 12, 2018 meeting. Fifteen members were present answering roll call with their favorite movie. A thank you letter from Furley United Methodist Church for making cookies to put in the October sack lunches for the Wichita UMC Open Door Ministry for the homeless. Harley McLaughlin led the club in "The Billboard Song". First year member Paige Goebel had a show and tell talk on her head warmer she is knitting. Shelby Henley gave a project talk on steer clipping. Starting with the tail, the hair is brushed and fluffed. A type of washable spray glue is put on to make the hair look fuller and stay in place. The end of the tail is formed into a ball and sprayed with glue. The process of combing and clipping the steer takes about an hour to finish. Makenzie Creekmore attended Butler County 4-H days on February 3, 2018 at Butler County Community College. She was recognized at the club meeting for receiving blue ribbons on her piano solo, "Stand up for Jesus" and her poem reading titled "Bored". The next meeting will be on March 12, 2018 at 7:00 pm at the Emmaus Church. It will be Parents Night.

The Grace Chorale and Chamber Singers from Grace University in Omaha, Nebraska, will appear in concert at Whitewater Community Church, 703 E. Central, on Sunday evening, March 25, at 6:00 p.m. The Chorale, a long-standing tradition at Grace, is a 33-member auditioned choir under the direction of Dr. Greg Zielke. The Chamber Singers are a select group of musicians from within the Chorale.

These groups strive for choral excellence and ministry through music while exploring the vast scope of sacred choral literature.

ANIMAL TAGS

New animals tags are now
available at the City Building.

The current tags expire on May 31, 2018.

Proof of current rabies vaccination
will need to be shown before a tag
can be purchased. If your pet has been spayed or
neutered the cost for the
tag is \$5.00. If not the cost is \$10.00.
These tags are available for dogs & cats.

Tags will be available at the City Building only.

Questions - call 799-2445.

Current animal tags expire May 31, 2018. If you already have a new tag, thank you. If you are in need of a new tag and find it difficult to come to the City Office during the day you may request the tags needed by placing this form in the drop box at the city building or mailing to PO Box 149, tags will be returned to you. Please use the form below to make your request. A proof of rabies and spay or neuter will need to be included with the request as well as payment. A tag for a spayed or neutered animal is \$5.00. It is \$10.00 for one that has not been spayed or neutered. Pictures of your animals can be dropped off, mailed, or emailed to cityofwhitewater@sbcglobal.net. This would help with identification.

Frederic Remington Area Historical Society

April 2, 2018, Monday at 7:00 p.m. at Frederic Remington High School, 8850 NW Meadowlark Road, Whitewater, KS 67154. Sponsored by the Kansas Humanities Council.

Rex Buchanan will present Water in Kansas: Past & Present. Early evidence of Native peoples in Kansas shows that they lived near springs, seeps, and rivers. Later, European settlers moved along water sources, and eventually cities were established in areas with plentiful water supplies. Even today, demographic changes in Kansas are the result of water: scarcity connected to water-level declines in the Ogallala Aquifer is impacting depopulation in western Kansas, whereas some eastern Kansas counties, which are relatively water-rich, are gaining population. Recently the state government developed a 50-year water planning vision, identifying two major issues: reservoir sedimentation and the rapid drawdown of the Ogallala portion of the High Plains Aquifer in western Kansas. This presentation will highlight how water issues today define much about Kansas in the future, just as it always has. Rex is the interim director of the Kansas Geological Survey and the author of books about Kansas geology and water.

Cold Weather Play

Playing outside is healthy
for children

- Outdoor air has fewer germs than indoor air.
- Sunlight helps the body make vitamin D needed to grow.
- Letting children be noisy and active decreases stress, improves behavior, and improves sleep.
- Playing outside actually reduces the risk of getting a cold.

The Cottonwood Pediatrics Advantage

- Short wait times - usually less than 30 minutes
- Available appointments - there is one provider with open appointments every day; call early for best choice
- Admitting privileges at Newton Medical Center
- We take care of your child in the hospital & are available to the medical staff at the Newton ER for our patients
- Open to all newborns - older children by transfer

Help us Walk the Talk!

We invite the Whitewater Community to join Centre Point Church in a 5k Walk/Run for Missions!

Centre Point Church is sending a ministry team to the Eagle's Nest Orphanage in Solola, Guatemala, this July, 2018. There they will care for orphan children ages 0 to 17 years, as well as provide construction, educational and medical support to the Eagle's Nest ministry. You can help this team get to Guatemala by joining us for the **Centre Point Sprint for Missions on April 14, 2018 at 9 a.m., in Whitewater, Kansas.**

To Enter the Race, just complete the application form below and mail the application to **Centre Point Church, Attn: CP Sprint for Missions, P.O. Box 400, Whitewater, KS 67154**. Or drop your application off at the Whitewater Library or Whitewater City Office during business hours. Entering by April 2nd will ensure you receive a race t-shirt and gift bag. Runners may also register on race day by 8 a.m.

Entry fee to race is \$25. 1st, 2nd, and 3rd place medals will be awarded in 6 age categories for both male and female runners, and the first 100 finishers will receive a finisher's medal! The race course will be the same as the Whitewater Fall Festival Run. If you're not a walker or runner, you or your business may sponsor a runner for any amount--all proceeds going to the Guatemala Ministry Team. Donors of \$50 or more by April 2nd may have their names printed on the race t-shirts. Sponsorships may be received after April 2nd on behalf of any runner or the project itself.

Time is short, so if you have questions, you may contact Cherry Stucky at 316-799-1230.

*Investing in lives is always a healthy move.

Council meetings the 4th Monday of each month at 7:00 p.m. at the City Building, open to the public.

Mayor: Patrick Ryan, Council: Trent Clark, Dennis Nelson, Dan Ravenscraft, Bill Reynolds, Lyle Thorne

March 26, 2018

The Business Investment Grant will be offered again this year. Information will be in the April and May newsletters.

Ordinance 615, involving weight restrictions on certain streets, was adopted.

Proclamations for April for Fair Housing Month & Child Abuse Prevention Month were approved by the council and signed by the Mayor.

Officer Wacławski presented information regarding the Inoperable and junk vehicles in Whitewater. A letter will be in the April newsletter with information regarding this.

Don Berg stated that the work done for the Department of Labor report has been completed and the necessary paperwork has been turned in. He is awaiting their approval. Asphalt repair work has been completed. The slurry seal, on streets scheduled for this year, is proposed to be done the week of June 18. Two bids for work on the water tower have been received. Two more are to be given. This will be presented at council in April. A new water softener has been installed at the car wash. Mr. Berg was asked to look into the cost involved in changing over to automated water meters.

The Animal Control Report, Court Docket and Expenditures for March were presented. Expenditures were approved as presented.

Trent Clark asked about planting trees at Central Park. He will check on costs involved in purchasing trees. He stated that he was willing to plant and water the trees if the city was willing to purchase them.

Dennis Nelson asked that the contact phone number, in case of power outage, be placed in the newsletter in April.

Mayor Ryan thanked the two scout members, David Graham and Patrick Graham, for attending council.

The council entered executive session for various matters.

There being no further business council was adjourned.

Wouldn't it be fun to listen to phenomenal music in the great outdoors at the beginning of summer before it gets too hot?

We think so, too, so we invite you to hear **Barry "Bones" Patton** with **Haymakers** on **Monday, June 4, 7:00 pm.**

(Location pending final approval - stay tuned!)

Winfield native **Barry Patton** began playing the bones (actual cow ribs!) as a small child

when he received his first set from long time family friend and musician Cecil Hiatt.

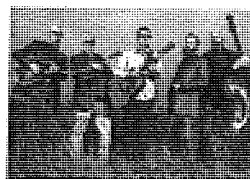

Patton has mastered the unique style of playing with both hands, known as "double fisted", and is one of only a few in the world to take bones playing to this level. His talent has brought him to play with many artists such as Mason Williams,

Vince Gill, Riders in the Sky and many more.

Haymakers, formed in 2012,

is a band that plays a variety of music including

bluegrass, folk and country. "Though some will refer to Haymakers as a bluegrass band, its sound and influences are more complex than that," according to KMUW's Jedd Beaudoin.

Members include:

Dustin Arbuckle - Vocals/Harmonica

Ted Farha - Mandolin/Vocals

Dr. Mark Foley - Vocals/Upright Bass

Thomas Page - Guitar/Vocals

Dennis Hardin - Vocals/Stringed instruments

A burger/hotdog meal will be served by the Whitewater Area Chamber of Commerce

(fundraiser).

Area musicians will perform prior to the headline event.

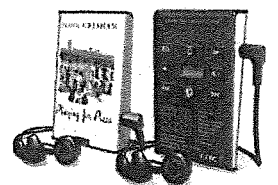

Bring your lawn chairs and blankets and plan to spend the afternoon and evening having a good time with friends and family.

Registration for Summer Reading will also take place in the afternoon and evening.

Summer Reading is open to readers 0-120 and includes reading and/or listening to books, magazines, etc.

More finalized information to come. Watch the May newsletter, Facebook and the website for more information.

This event is funded in part by the "America's Farmers Grow Communities" Monsanto Fund.

PLAYAWAY
check it out.

Playaway Lease Keeps Collection Fresh and Current

Due to the high cost of Playaways, the library recently entered into a lease agreement with TEI Landmark.

You may remember from earlier newsletter articles that Playaways are self-contained audio books that require just a set of headphones.

The first shipment has arrived, with subsequent shipments anticipated in August and December. Each time another shipment arrives, we send the corresponding number of Playaways back to the company. This keeps our collection of Playaways fresh and current.

Here is a sampling of titles:

- Fractured (Slaughter)

Greetings,

The Whitewater City Council has requested the Sherriff's Department begin addressing the issue of junked motor vehicles on private property within the Whitewater City limits. The Whitewater governing body feels these vehicles affect the health, safety and general welfare of the citizens of the City of Whitewater.

City ordinance defines these as any vehicle being junked, wrecked, wholly or partially dismantled, discarded, abandoned or unable to perform the function or purpose for which it was originally constructed. In short, this means any inoperable vehicle.

I have already received multiple complaints from citizens and have begun talking with residence about their vehicles. Please understand the process defined by ordinance is a lengthy process, so please do not expect an immediate result following your complaint.

I will address complaints as they are received and forward reports on the status of these violations to the Whitewater City Council on a monthly basis. If I receive a complaint about a junked vehicle on your property I will stop by to discuss the complaint with you before beginning any process.

Copies of the Whitewater City Ordinance pertaining to junked motor vehicles on private property are available through me or at the Whitewater City Building

Also please note that actions taken by Sheriff's Deputies including reports are not confidential and are subject to the freedom of information act.

Please feel free to contact me with any questions or concerns.

Deputy Mark Waclawski

Cold Weather Play

Playing outside is healthy
for children

- Outdoor air has fewer germs than indoor air.
- Sunlight helps the body make vitamin D needed to grow.
- Letting children be noisy and active decreases stress, improves behavior, and improves sleep.
- Playing outside actually reduces the risk of getting a cold.

The Cottonwood Pediatrics Advantage

- Short wait times - usually less than 30 minutes
- Available appointments - there is one provider with open appointments every day; call early for best choice
- Admitting privileges at Newton Medical Center
- We take care of your child in the hospital & are available to the medical staff at the Newton ER for our patients
- Open to all newborns - older children by transfer

NORTH BUTLER 4-H

Kiley Miller led the flag salutes to start the meeting of the North Butler 4-H club on March 12, 2018. The business part of the meeting was Parents Night. Each officer's parent took the place of the 4H member for the night. For example, Peggy Henley was acting president for member Shelby Henley and Judy Ingalsbe was acting secretary for member Desiree Ingalsbe. Next month's exchange meeting will be with the Benton Busy Bees. Drake Klingenberg presented the program on how to make a parody on a you tube video. He said he uses his camera, GoPro camera and drone to make his videos. The most views he has had was 1,000 on his video where he played his trombone to call his cows to him. He has made 15 parodies and 100 videos on his you tube channel, Drake Klingenberg. The next club meeting will be April 9, 2018 at 7:00pm at the Emmaus Church.

Current animal tags expire May 31, 2018. If you already have a new tag, thank you. If you are in need of a new tag and find it difficult to come to the City Office during the day you may request the tags needed by placing this form in the drop box at the city building or mailing to PO Box 149, tags will be returned to you. Please use the form below to make your request. A proof of rabies and spay or neuter will need to be included with the request as well as payment. A tag for a spayed or neutered animal is \$5.00. It is \$10.00 for one that has not been spayed or neutered. Pictures of your animals can be dropped off, mailed, or emailed to cityofwhitewater@sbcglobal.net. This would help with identification.

Get ready to rock the summer away with all kinds of music and activities at the library.

Summer Reading begins with the **Summer Kick-off Concert** (see poster in this newsletter) featuring the popular Kansas-based band "Haymakers" with Barry "Bones" Patton.

Local acts performing that evening will include:

Ryan Evans - Bagpipe
Kyle Thiessen - Vocalist
Corbin Hutchinson & David Fasnacht - Christian Rap

More acts may develop so stay tuned!

Summer Reading is for everyone between the ages of 0 and 125.

Returning favorite activities include Tween and Teen Tuesdays, Pre-school Storytimes, Movie Day and Take and Make Crafts.

New this summer will be an indoor Music Color Wall and the construction of an outdoor Music Wall.

Online registration opens Friday, May 25. Register

in person at the kickoff event on Monday, June 4.

As always, you can find more information at the library, on Facebook and the library website and in the June newsletter.

Celebrate the Joy of Reading This Summer With the GREAT AMERICAN READ

PBS recently announced THE GREAT AMERICAN READ, a new eight-part television series and nationwide campaign that explores the joy of books and the power of reading, told through the

prism of America's 100 best-loved books, chosen by the public. See more about that at www.pbs.org. For Adult Summer Reading we suggest adult readers choose their summer books from this 100-book

list available at the library, Facebook and the website, thereby allowing them the opportunity to vote for their favorite.

The list can also be printed www.pbs.org.

NORTH BUTLER 4-H

The favorite pizzas of the North Butler 4H group is cheese and pepperoni. On April 9, 2018 President Shelby Henley called the meeting to order and welcomed the Benton Busy Bees. Twenty-five Benton members were present answering roll call with a favorite activity. Eleven North Butler members were present answering with "My favorite pizza is..." Harley McLaughlin led the American flag salute and Chase Artz led the 4H pledge. Any member showing any animal at the fair must take a training session for YQCA (Youth for Quality Care of Animals.) The club sang "Happy Birthday" to Cora Brackenridge, Paige Goebel and Makayla Klingenberg and also to four Busy Bees. Lucy Goebel was acting secretary for the night. Eben Busenitz gave a project talk on Rocketry and showed members how to prepare the rocket to fire. Clara Busenitz gave a demonstration talk on how to make No Bake Energy Bites using oatmeal, peanut butter, honey, flax seed and chocolate chips. The program closed with a piano solo of "Oh Susannah" by Makenzie Creekmore. Next meeting will be 7:00 PM on May 14, 2018 at Emmaus Church.

Current animal tags expire May 31, 2018. If you already have a new tag, thank you. If you are in need of a new tag and find it difficult to come to the City Office during the day you may request the tags needed by placing this form in the drop box at the city building or mailing to PO Box 149, tags will be returned to you. Please use the form below to make your request. A proof of rabies and spay or neuter will need to be included with the request as well as payment. A tag for a spayed or neutered animal is \$5.00. It is \$10.00 for one that has not been spayed or neutered. Pictures of your animals can be dropped off, mailed, or emailed to cityofwhitewater@sbcglobal.net. This would help with identification.

NORTH BUTLER 4-H

On May 14, 2018 the North Butler 4H Club met for it's monthly meeting. Seventeen members answered roll call by sharing the name of their favorite superhero. It was a busy and informative evening as several members shared about their projects with the club. One of our newest members, Alyssa Klingenberg, talked about her fairy garden. We also learned about different drawing techniques from Desiree Ingalsbe as she showed the drawings she plans to take to the fair this year. Deciding which food recipes to take to the fair is a long process for John Ferley. It takes most of the year to decide which ones he will use. He usually takes seven items. The baked goods on display at the Butler County Fair always look yummy! Makayla Klingenberg's cookies she shared with club members were very tasty. She gave a demonstration talk on how she made them. Thanks for sharing Makayla! Members helped with a community service project for Wheat State Manor in Whitewater. Folded butterflies were made to use in the table centerpieces in the dining room for the residents to enjoy. The busy 4H evening ended with a game of Capture the Hat led by Austin Miller. Anyone is welcome to join us at our next meeting at Emmaus Mennonite Church new Whitewater on June 11, 2018. The meeting starts at 7:00 PM.

Readers are enjoying the challenge of reading from the 100-book Great American Read list this summer.

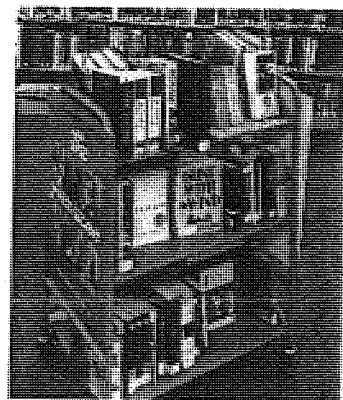

The list was derived from the responses to a survey conducted by PBS and the public opinion polling service "YouGov" asking Americans to name their most-loved novel.

PBS has also developed an eight-part TV series that explores and celebrates the power of reading, told through the prism of America's 100 best-loved novels.

The series investigates how and why writers create their fictional worlds, how we as readers are affected by these stories, and what these 100 different books have to say about our diverse nation and our shared human experience. The debut episode can be watched on the PBS website. The next episode will air on September 11.

Readers can vote once per day until October 18, 2018, for their favorite novel at www.pbs.org.

PBS just announced that

voting has reached the one million mark.

Approximately 80 of the 100 titles are available at the library and are on a rolling special display close to the front door.

Puppet Show Coming to the Library

Children of all ages are invited to the library on **Saturday, August 4, 10:30 am**, for a morning of laughter and learning with the Emmaus Puppet Team.

Led by Judith Mace, this

7-member team is in its 3rd year of performing. They have also performed at the Frederic Reming-

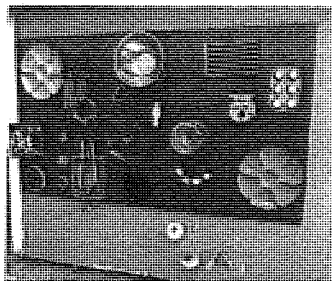

ton Festival in October.

Children will learn about patience, helping and building bridges.

This is a free program open to all and will last approximately 40 minutes.

Libraries Rock! Summer Update

CONCERT ON THE BARN
Located on the west wall of the green storage shed next to the library.

The 2018 Summer Reading program, Libraries Rock!, is winding down and it has been a great summer.

Registration of babies, children, teens and adults totals 287 at this point.

The program runs until July 21 and there are still programs for all ages.

They include:

July 12: Take & Make Craft

July 16: Chad Vogt on harmonica (3 pm)

July 18: Story Time

The children have enjoyed story times, guessing jars, finding the hidden pan pipe, movies, coloring on the music mural, playing various instruments on display at the library, and playing with the music wall in our park.

They have made spin drums, wind chimes, spinners and kindness rocks. Look for these rocks around town with positive messages on them. Feel free to pick one up and pass it on!!!

It has been a great summer and thanks to all who have helped make our library ROCK!!!!

Cold Weather Play

Playing outside is healthy
for children

- Outdoor air has fewer germs than indoor air.
- Sunlight helps the body make vitamin D needed to grow.
- Letting children be noisy and active decreases stress, improves behavior, and improves sleep.
- Playing outside actually reduces the risk of getting a cold.

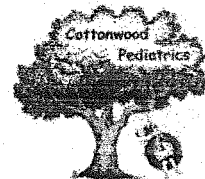

The Cottonwood Pediatrics Advantage

- Short wait times - usually less than 30 minutes
- Available appointments - there is one provider with open appointments every day; call early for best choice
- Admitting privileges at Newton Medical Center
- We take care of your child in the hospital & are available to the medical staff at the Newton ER for our patients
- Open to all newborns - older children by transfer

Baby Jubilee: Community Baby Shower

The Butler County Health Department is hosting their 3rd annual Baby Jubilee on August 8, 2018 in celebration of World Breastfeeding Week. This community wide Baby Shower will be held at the Butler County Community Building (4H Building) in El Dorado from 4 to 6 p.m.

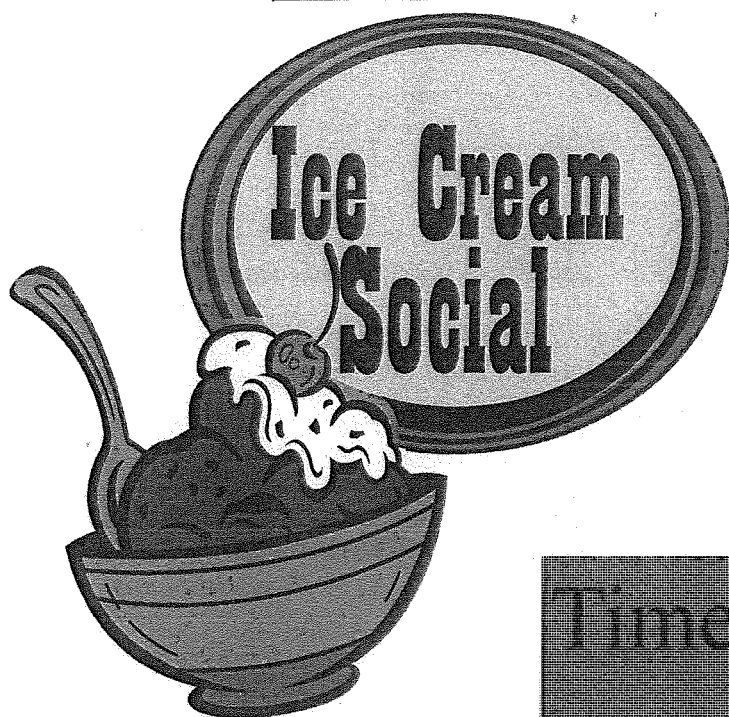

Baby Jubilee is a free baby shower and health fair combined into one celebration for mothers, fathers, and grandparents. Expectant mothers, fathers, grandparents or other support person, as well as those with infants under one, are invited to attend and visit with local vendors about the services they provide.

Activities include raffles for items that have been donated, such as a date night, gift cards, car seat, and other items, information/education opportunities, vendor booths, and gifts for mothers, fathers, and grandparents. Refreshments will also be served.

August 1 -7 has been designated World Breastfeeding Week. This year's slogan for World Breastfeeding Week is Breastfeeding: Foundations of Life. World Breastfeeding Week was first celebrated in 1992 and has grown to be celebrated in over 120 countries. Baby Jubilee is only one of hundreds of events around the world to be celebrated during this week.

Both the World Health Organization (WHO) and the American Academy of Pediatrics (AAP) encourage the value of breastfeeding for both mothers and their children. Both organizations recommend exclusively breastfeeding for the first six months of life and continuing to breastfeed through the first one to two years of baby's life.

To learn more about this upcoming Health Fair, contact the Butler County Health Department at 316-321-3400.

NORTH BUTLER 4-H

The North Butler 4H club met at Emmaus Church on Monday, June 11, 2018. There were 11 members who answered "My favorite place to eat is..." for roll call. Sage Greenemeyer and Shelby Henley celebrated birthdays this month. Makenzie Creekmore led the song "The Ants Go Marching". Silas Busenitz gave a woodworking talk about his modified gun rack. He showed us how to assemble it. Renata Goossen gave a demonstration talk on using pressing tools. This is her 13th year in sewing. Some of the tools that she talked about were a tailor's buck, sleeve board, tailor's clapper, tailor's ham, press cloth, sleeve head and a smart touch iron. A tailor's buck is pointed on one end and rounded on the other. It is filled with sawdust to keep its shape. A tailor's buck is curved so it matches the shape of the garment. Renata explained that dressmaker's tools have many points and curves that help with ironing. A sleeve board or tailor's roll is a small ironing board that fits inside a sleeve. The tailor's clapper presses the seam really flat and helps it stay flat. It comes in both big and mini sizes. Hit the clapper over the seam immediately after steaming. A press cloth is used as a buffer between delicate fabric and a hot iron. Use a sleeve head when you need to press shoulder seams. Finally, the smart touch iron lifts itself up off the fabric when it gets too hot to prevent burning. It takes a lot of tools to be a good seamstress! To end the meeting, Eben Busenitz led members in a fun game of Capture the Basketball. Refreshments were served by the Henley and Goossen families. Next meeting will be July 9, 2018 which will be our club tour.

NORTH BUTLER 4-H

The El Dorado fairground was buzzing with activity on Saturday, June 9, 2018. If you happened to drive by you would have seen many hands at work creating colorful works of art. Each Butler County 4H club was responsible for painting two fairground trash cans. The design used was decided by each club. At the county fair in July, please look for the colorful purple, green and white cans decorated with trees, project symbols, club names and pictures representing the club salute. Approximately ninety members and leaders joined in this county project. North Butler painted a white trash can accented with purple sponge painting and yellow project animals. The other can was painted K-State purple with white handprints and the 4H club motto. When the project was completed, all enjoyed a yummy lunch of BBQ hot dogs, chips and lemonade. North Butler members participating were Eben Busenitz, Clara Busenitz, Silas Busenitz, Elsa Busenitz, Katie Busenitz, Harley McLaughlin, Rustin McLaughlin, Hope McLaughlin, Noah McLaughlin, Anna McLaughlin, Makenzie Creekmore, Debbie Creekmore and Debora Claassen. Good work North Butler!

Of the 289 people who registered for Summer Reading, 191 traded their completed reading charts for a **T-shirt** or **Whitewater Certificate**. That total included 11 babies, 137 children, 22 teens and 21 adults. Well done!

In addition to all of the reading, crafts and story times, there were many in-house activities.

Guess the Musician challenged library users to identify four different musicians as each face was uncovered a little bit at a time over a period of one week.

Name the "Cool" Tune involved looking at shredded sheet music in a glass jar to determine the title of the song, which was **Let It Go**. There were only five correct guessers: **Philip Busenitz, Ellie Van Zelfden, Jenny**

Koehn, Audrey Van Zelfden and Sophia Busenitz.

Rock Star of the Week was a random selection of one reader each week. Rock Stars completed a short fact sheet about themselves and posed for a photo. These were posted on the bulletin board and included: **Kadin Hutchinson, Autumn Hirsch, Nolan Sweazy, Aubrey Stonebraker and Esther Bolton.**

A small **Pan Pipe** was hidden in a different place in the library each week. Once the seeker found the pipe & told a librarian the attached music word of the week, they entered their name in a drawing for a small prize. Winners were: **Leah Entz, Maggie Evans, Samuel Tilotson, Gabe Bumm and Kadin Hutchinson.**

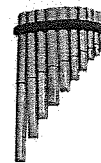

Miss Julie created a much desired **Candy Guitar**

out of mini candy bars and peanut butter cups. After sharing the name of a favorite book, each person entered their name to win the guitar. **Calvin Gragg** was the luck winner.

We played **Scrabble** and **Bananagrams**, watched the **Peter Rabbit** movie, sang along with "**Frozen**" (a LOT) and blue-toothed music to the **karaoke microphone**, discussed **The Piano Maker**, played **karzoos**, listened to different **genres of music** each week and built an **out-door music wall** we call **Concert on the Barn.**

After the summer we've had, there's no question that "**Libraries Rock**"! What a great summer!

See you in 2019 when we will rocket to new heights! Hint! Hint! Can you guess next summer's theme?

Back to School

North Butler 4H Club had its annual tour on Monday, June 9, 2018. It started at the home of Renata Goossen, near Potwin, where members toured her flower, vegetable and herb gardens. Renata does good work with her plants! Next, the group travelled to the Furley area to the home of Austin and Colton Miller. Ralph and Reba, Colton's goats, demonstrated how to walk around the ring for the judges. If the goat does not want to walk he simply lays down. That can be a big problem! After finding a place in the shade, several members showed projects that will be going to the county fair which is July 28 to August 2, 2018. Mason Artz showed a picture of his chickens. Benny, his bantam is a broody hen and likes to sit on her nest night and day so he had to take her out of the chicken house and close the door so she couldn't get back in. It only took a couple of days to fix that problem! Ella Amend is making a wooden "E" that she is covering with glue and different colors of blue string. Cora Brackenridge showed her doll with the blue jeans and shirt that she sewed. Her brother, Colton showed a man that he made with Legos. Makenzie Creekmore showed her Paris theme charm bracelet that she made. The Goebel's all showed off their needlepoint projects. Jeremiah is making a flag, Paige is making a "P", Lucy is making a Kleenex box and Thomas is making a soldier saluting the flag. The last stop of the tour was at the home of Desiree Ingalsbe, also near Furley. The club saw her goats that she will be showing. Finally, everyone enjoyed their sack lunch and especially the cool water of the swimming pool! It was a hot tour. Good luck to everyone on their projects at the fair!

Greetings,

I wanted to inform Whitewater City residents about Butler County Sheriff's Emergency Reverse 911 program.

Reverse 911 is an emergency warning tool used to make rapid emergency telephone notifications to residents and businesses in precise geographic areas. Reverse 911 will be used by Butler County emergency officials, during emergencies only, to deliver incident specific information or potentially life-saving instruction to those in the affected area(s).

Reverse 911 integrates mapping technology with phone databases, and will automatically call Butler County residents and businesses communicating a message recorded by emergency officials.

Butler County's Reverse 911 system does NOT track the actual GPS location of your cell phone. It is based strictly on the address you associate with your phone number.

Examples of Reverse 911 calls already sent over Butler County's Reverse 911 system:

- Flood Evacuations
- Wild Fire Evacuations
- Neighborhood alerts of police manhunts
- Missing children
- Missing Alzheimer's Patients
- Boil water notifications
- Hazardous material spill notification
- Escaped prisoners

To sign up for the program please visit <https://bucoks.onthealert.com>

This system was recently used for a missing, at risk juvenile that was located within minutes by a resident who received a Reverse 911 notification.

I hope you all consider utilizing this valuable Butler County service.

Playing outside is healthy
for children

- Outdoor air has fewer germs than indoor air.
- Sunlight helps the body make vitamin D needed to grow.
- Letting children be noisy and active decreases stress, improves behavior, and improves sleep.
- Playing outside actually reduces the risk of getting a cold.

Council meetings are the 4th Monday of each month at 7:00 p.m. at the City Building, open to the public.

Mayor: Patrick Ryan, Council: Trent Clark, Dennis Nelson, Dan Ravenscraft, Bill Reynolds, Lyle Thorne

August 27 2018

The budget hearing for the 2019 budget was opened for comment. There being no comment the hearing was closed. Dan Ravenscraft (Bill Reynolds) moved to adopt the 2019 budget. Motion carried.

Members of the Park Playground Committee were present to report on the updated equipment that has been purchased. It is hoped to be ready to install in October or November. Fundraisers are continuing for additional equipment. A Car Show as well as a benefit auction will be at the Festival. There was some discussion about the equipment to be removed. The committee is to report back on their choice.

Officer Wacławski reported an attempted phone scam, some door to door salesman that were checked on, a cow that had been out on Elm & Highway 196. Also a welfare check, a "free" sign that had been removed and returned. The attempted theft of a pickup in town as well as a pickup that had been stolen from an owner in Harvey County.

Don Berg reported on a leak that had been repaired on August 8. He stated that he is still working on a bid for replacement fire hydrants.

Dennis Nelson requested that the applicants for the Business Incentive Grant be present when the grant is awarded.

A compliance person for the junk/abandoned vehicles was discussed. The possibility of helping the Chamber with the sponsoring of a shredding trailer was discussed as well.

There being no further business council was adjourned.

STATION ELEVEN

by
Emily St. John Mandel

*Big Read Wichita
Book Discussion
October 30, 2018
7:00-8:00pm*

Join the Friends of the Whitewater Library!

Station Eleven is a science fiction novel set 20 years after a devastating flu pandemic destroys civilization as presently known. A woman moves between the settlements of the altered world with a small troupe of actors and musicians until they encounter a violent prophet who threatens the tiny band's existence. The novel highlights the fragility of human existence, violent nature, and capacity to survive despite the inevitable hardships of starvation, loneliness, and chaos.

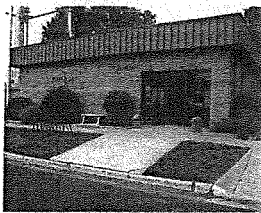

The book was chosen by the *National Endowment of the Arts* for the 2018 *Big Read*.

Books are available for check-out at the library and Christi Leewright-Patry will lead the book discussion.

Whitewater Lions Club Raffle

October 6-7

The community of Whitewater, Kansas: "The Little Town with a Big Heart" is again celebrating our annual festival, the Frederic Remington Festival. In light of this exciting time, we are contacting our community and business friends who have supported the Lions Club through the years. Again, we are requesting donations toward our Lions Club Raffle. Your donation will give Whitewater Lions Club the opportunity to provide the help and support to members of our community. Your contributions and feedback, as always, are welcome for the sustainability and continuation of Lions in our community.

The Frederic Remington Festival (aka Whitewater Fall Festival), takes place each year as a result of the culmination of efforts and financial support of numerous individuals and organizations within the city and surrounding communities. This year's festival is scheduled to take place on October 6-7, 2018, with activities for all age groups.

We, the members of the are very appreciative of year and look forward to year!

If you have any questions additional information, Norma Stringer or Lion

Frederic Remington Festival Presents ~

2018 Community Art Show featuring the craftsmanship and artistry of your neighbors and friends!

The Art Show will open at 12 p.m. (noon) and remain available until 3 p.m. We'll be presenting galleried artists Todd Matson of Furley, and Allan Lister of Newton. You may also be surprised and delighted at the lovely work your neighbors have been creating!

Come by the Remington District Office at 110 S. Main on Saturday, October 6, for a serene moment in a bustling day and enjoy the view!

Remington Community Artists and Craftsmen interested in displaying works of art in the Remington Festival Art Show are still welcome! Please email or call Cherry Stucky as soon as possible so that we may reserve space for you. Details will be sent to those who respond to this invitation! If you have a neighbor or friend too shy to submit their own work, you may let Cherry Stucky know and we'll extend an invitation on your behalf. Applications should be submitted by September 20 so we can plan the space to advantage.

Contact: Cherry Stucky at ecstucky@sbcglobal.net or 316-799-1230.

The Past, Present, & Future of the Whitewater Falls Stock Farm Barn

October 8, 2018

Monday at 7:00 p.m. at Centre Point Church, 212 S. Main, Whitewater, KS 67154

Duane Busenitz, Towanda, will give a presentation **The Past, Present, & Future of the Whitewater Falls Stock Farm Barn**. The farm was initiated by James William Robison, born in Scotland and became a Kansas farmer; he also involved himself in state government. Together with his sons, Robison purchased and with time farmed 17,000 acres in central Kansas. He built a great central barn at 433 NW Falls Road, Towanda. The barn dedication was on June 5, 1909. Two thousand invited guests were transported by special trains from nearby towns and cities and made merry at the largest barn dance ever held in Kansas. By 1911, the Whitewater Falls Stock Farm was the largest Percheron horse farm in the United States. Percheron and mules were sold annually at special sales events at the farm. Now, after decades of neglect and decay, the barn is currently being restored by the present owners, Duane and Amanda Busenitz. Presentation co-sponsored by the Friends of the Whitewater Memorial Library & the Frederic Remington Area Historical Society.

North Butler 4H Club

Residents at Wheat State Manor in Whitewater learned about and looked at county fair projects. Fourteen members were able to show and tell what their projects were. Pizza followed at Emmaus Church. Then the North Butler 4-H meeting started off with roll call which was "When I grow up I want to be a...". Fourteen members were present. The program started off with a with a song called "Give Me Oi in My Lamp" led by Makenzie Creekmore. Then we had a show and tell by Ella Amend. She showed her fair projects and told about her ribbons that she received. We had another show and tell by Chase Artz. He brought his chicken, Benny the Bantam. Makenzie Creekmore ended the program with a project talk about skills needed for Buymanship. After the program Austin Miller led members in a game of Toilet Tag. This year North Butler received first place in Herdsmanship for dairy goats and third place for Herdsmanship in bucket calves. Way to go North Butler! We will hold officer elections next month on September 10, 2018 at the Emmaus Church near Whitewater. Meeting time is 7:00 pm. Everyone is welcome!

Council meetings are the 4th Monday of each month at 7:00 p.m. at the City Building, open to the public.

Mayor: Patrick Ryan, Council: Trent Clark, Dennis Nelson, Dan Ravenscraft, Bill Reynolds, Lyle Thorne

September 24 2018

A motion was made and 2nd to hire Kayla & Patrick Engelbrecht as Animal Control Officers. Motion carried. They will begin their duties in October.

Officer Wacławski reported that he had had several calls in Whitewater in September. He also reported that he is still working on a case involving a stolen lawn mower. The stolen pickup from last month has been recovered. Officer Wacławski is doing school checks and will be working on compliance regarding the truck route.

Don Berg reported that Derrick Herbel's probation period was up and that he was doing a very good job. He also reported on a class they had attended as well as replacement costs for some of the fire hydrants in town. Repairs may be an option as well. Mr. Berg informed the council that Mayer would be doing the sewer cleaning beginning in October. Notices will be given out to the residents involved.

The Animal Control Report, Court Docket and expenditures for September were presented.

An update on the Business Incentive Grant was given. Mayor Ryan reported that he had someone that he wanted to discuss serving as our Code Enforcement officer and also a person to serve as the vehicle inspection person. He will contact them and report back in October.

There being no further business council was adjourned.

Station Eleven is a science fiction novel set 20 years after a devastating flu pandemic destroys civilization as presently known. A woman moves between the settlements of the altered world with a small troupe of actors and musicians until they encounter a violent prophet who threatens the tiny band's existence. The novel highlights the fragility of human existence, violent nature, and capacity to survive despite the inevitable hardships of starvation, loneliness, and chaos.

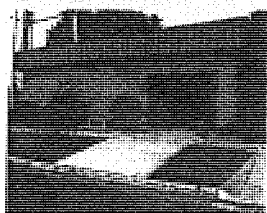

The book was chosen by the *National Endowment of the Arts* for the 2018 Big Read.

Books are available for check-out at the library and Christi Leewright-Patry will lead the book discussion.

North Butler 4H Club

The North Butler 4H Club was called to order on September 10, 2018 followed by the pledges led by Harley McLaughlin. Eleven members answered roll call with a favorite color. The club helped members celebrate September birthdays and sang "Happy Birthday" to Jeremiah Goebel who was at the meeting. Several members have projects at the state fair. Ribbon placings were shared with the club, of which many were blue and purple. The club plans to have a float in the Whitewater Fall Festival in October. Harley McLaughlin led the group singing "He's Got the Whole World in His Hands." The remaining portion of the program included nomination of officers for 2018-19. New officers will be President, Thomas Goebel; Vice President, Shelby Henley; Secretary, Desiree Ingalsbe; Treasurer, Makenzie Creekmore; Song Leaders, Ella Amend and Cora Brackenridge; Recreation, Lucy Goebel and Harley McLaughlin; News Reporter, Harley McLaughlin; Council Members, Shelby Henley and Thomas Goebel; Alternate Council Member, John Ferley and Jeremiah Goebel and Parliamentarian, Makenzie Creekmore. The program concluded with a game of Blind Folded Monster led by Lucy and Jeremiah Goebel.

COSTUME CONTEST!

This year we will be doing the costume contest a little differently!

Select businesses will be voting on their favorite costumes. Businesses will cast their vote by distributing glow sticks to their favorite costume wearers as they trick or treat!

When done trick or treating, costume wearers will report to the bank and show off how many glow sticks they received. Then they will pick a prize based on how many glow sticks they have!

Date: _____ Parent Signature: _____

Parents:

The Park Board would like to take a minute and review our policies on sportsmanship and behavior at Biddy Basketball games involving your sons and or daughters. We expect all those in attendance to show good sportsmanship and respect toward both teams playing and the officials calling the games. Constant yelling at players and or officials will not be tolerated. The officials won't make every right call, but they will try and do their best. If you yell and scream at the officials, it takes away their focus to the court and what is happening in front of them. **No one at any time is allowed on the court for any reason.** If your child is injured come down to the floor and you will be allowed on the floor with the permission of a park board member in charge. **Any Whitewater Park Board or School Representative has the Authority to Remove anyone that can't behave in a civil manner will from the gym for the day and possibly for the rest of the season.** These policies should be followed by everyone at every game they attend. When your sons and or daughters teams are traveling to near by communities the rules and responsibilities follow. How our parent and coaches act at other towns reflects how other community's view or basketball programs. If you have any questions at any time please feel free to call any park board member and talk with them. We appreciate your support of the youth activities and look forward to a great and fun filled basketball season. Please sign and date this form. Your child will not be allowed to participate until both sides are signed. Thank you for your help.

Sincerely,

Whitewater Park Board

Tim Bumgarner, Principal, Frederic Remington High School, will discuss **Education in Kansas: How All Started, Where it Has Been and Where it Might be Going?** For decades, Kansas has been one of the leaders in education in the United States. They consistently rank in the top 10 in most measurable categories. In this discussion we will look at the history of public education in Kansas from the one room school house to our current system. We will then look towards the State School Board's new vision for Kansas public education and the current new strategies and techniques being tried across the state.

October 22 2018

Darryl Claassen was present regarding the Frederic Remington Festival. He reported on the activities at the Festival as well as some that had been cancelled due to the weather.

Holidays for 2019 were set and will be the same as 2018.

Officer Wacławski gave a summary of his calls for the month of October. Junked and abandoned vehicles were discussed.

Don Berg reported on the update that is in process of the Hazard Mitigation Plan for the region that we are a part of. This update is due by May 2019. Drainage at the ball diamonds as well as South Elm was discussed.

Water ordinance and billings were discussed next. It will be discussed further in November. An update on the Business Incentive Grant was given.

Derrick Herbel was approved as the Vehicle Inspector. He will be working with Officer Wacławski, after his regular hours, on getting junked and abandoned vehicles cleaned up. A report will be given by Mr. Herbel at council each month of the vehicles he has dealt with, including pictures.

Butler County will be contacted regarding the person(s) that do their building inspections to see what their fee schedule would be for such work.

There being no further business council was adjourned.

- SpongeBob Square Pants Typing
- World of Goo

The AfterSchool Edge tablet is designed for children ages 6 - 14 and includes more than 70 educational software titles. The 4,000+ multicurricular and STREAM aligned learning activities make it the ideal resource for enrichment, intervention, homework help and skill reinforcement.

Homework Help Resources:

- Britannica Elementary & Student Encyclopedia
- ClueFinders - 3rd & 4th Grade Adventures
- Return to Mechanica
- Math 1 to 4
- Britannica's International Science Suite
- BBC Science Simulations
- Phonics 1 to 4
- World of Goo

Featured Titles:

- Math Doodles
- MusiCan 1, 2-3, 4-5
- Arthur's Birthday and Arthur's Teacher Trouble
- SpongeBob Square Pants Typing
- History Explorer
- Volcanic Panic

Library staff is in the process of setting up the administrative modules and learning as many of the titles as we can so that we are able to adequately help students get full use of these extraordinary tools.

The goal is to be ready for student use by November 26.

Hello Whitewater Friends

My sisters and I would like to teach our children this holiday season the spirit of giving and to learn humility and compassion to help those in need. We are asking for support from our community to see if you have clean gently used winter items such as blankets, hats, gloves and coats to give for people in downtown Wichita who may not have the means to get winter items this season. We are going to be accepting items through the month of November and taking the items Sunday December 2nd after church.

And do not forget to do good and share with others, for such sacrifices God is pleased.- Hebrews 13:16

Cottonwood Pediatrics

Big hearts caring for small patients

Maureen Entz, APRN

Maureen grew up in the Elbing/Peabody area, and is a graduate of Berean Academy, as well as Bethel College and Wichita State University. She lives in Newton with her husband and two daughters.

Jon Jantz, MD

Dr. Jantz grew up in Liberal, KS graduated from Bethel College, and came back to Newton after medical school. He uses practical solutions, prevention and natural systems to teach families and children good health first, applying intervention when necessary.

Alyssa Watkins, MD

Dr. Watkins graduated from K-State and KU School of Medicine. As the parent of a young child and a newborn, she has great empathy and works to reassure parents of newborns, or as they face a child's health challenges.

Marla Kaufman, APRN

Marla grew up in rural North Dakota and Iowa, the daughter of a community family practice doctor. Currently, she lives with her husband on a small acreage on the Harvey-Marion county line, near her grandchildren.

Friends of Whitewater Memorial Library Thank the Hosts of the Home Tour

“Merry Christmas Everywhere!”

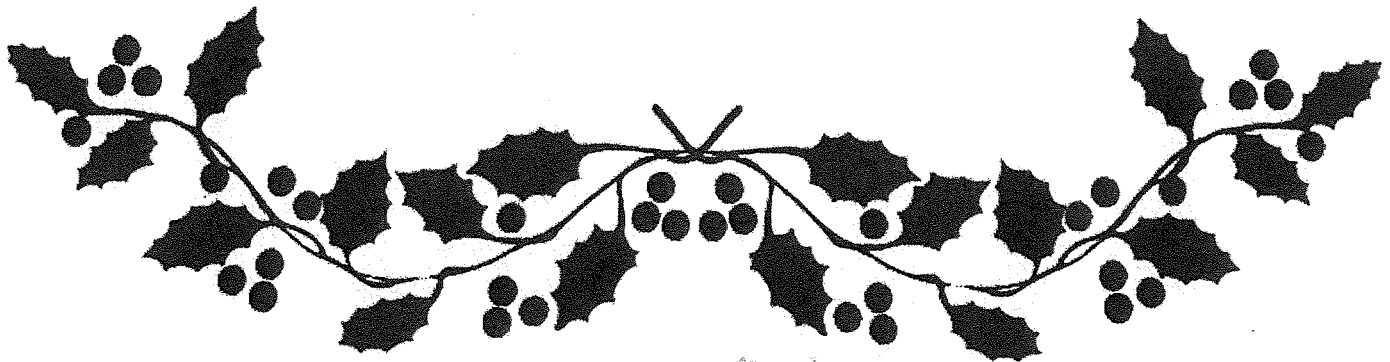

Friends of the Whitewater Memorial Library want to thank the generous hosts of the December 2, 2018 Tour of Homes for decorating their homes so uniquely and beautifully for our community to tour.

Tyler & Maddijo Kennedy
Scouting USA Troop 225 & Scouting USA Pack 3225
Trent & Amanda Clark
Scott & Erica Ryan
Andy & Colleen Floyd

Their homes, welcoming & lovely, were a great draw for this fund-raiser for the library. The hosts and their guests that day have enabled the library to purchase some new items for the library for the use of the Whitewater area community. So a big **thank you** goes, not only to the hosts, but also to the members of the community who supported the tour.

By the way, if anyone in the community is interested in opening your home for a Christmas home tour to lend support to our great library for next year, please let us know by telling Jean Thiessen (799-2471), librarian, or Pam Harber (799-2635), WML Friends president. Also let us know if you are interested in joining the WML Friends to help support the library. We would welcome new members!!

THANK YOU!

(Tune: Row Your Boat)

Wash, wash, wash, your hands,
Soap will make them clean,
Scrub the germs til they fall off,
Germs go down the drain.

Here are 2 simple things everyone can do to protect against influenza:

- 1 Wash your hands often, especially after using the bathroom, after you cough, sneeze, or blow your nose, and before & after eating or cooking
- 2 Everyone in the family - children and adults - should get a flu shot
