November 2021 North Butler County 4-H Club Report
By Cora Brackenridge, Reporter

The North Butler 4-H club meeting was held on November 8, 2021 at Emmaus Mennonite Library. It was started with our club achievement celebration, with a pizza dinner, and lots of candy! One new member was welcomed. The 4-Her's received county achievement awards and 4-H year pins for 2020/2021. The record books were handed back. To complete the celebration there were lots of prize drawings.

Congratulations to Debora Claassen for 35 years of 4-H service. She was honored with an award at the County 4-H Achievement Celebration, October 30, El Dorado. At the meeting, a card and flowers were presented to her from the North Butler members. The club is greatly appreciative of her leadership, guidance, and help she provides the 4-H members!

The club will pay for annual enrollment.

To support the community, the club families donated toys for the Butler County Extension Office toy drive. Three birthdays were celebrate, Harley and Hope McLaughlin, and Mackenzie Creekmore.

We are very happy for a new member and hope everyone had a Happy Thanksgiving and looking forward to Christmas!

December 2021 North Butler 4-H Club Meeting
Cora Brackenridge, Reporter

President Harley McLaughlin called the December meeting of the North Butler 4-H Club to order on Monday, December 20, 2021, at Emmaus Church at 7pm. Ellie Ensz led the Flag Salute, and Rustin McLaughlin led the 4-H pledge. The role call was "What is your favorite cookie?" and was answered by 18 members.

The Treasurer's report was given by Caleb Klingenberg, and a leaders report was given by club leader, Debora Classen. We also welcomed 3 new members. Briny Smith our new 4-H agent came to our meeting, she introduced herself and shared upcoming club day details and observed a typical North Butler 4-H club meeting in action.

Julia Amend led two Christmas songs that the members and parents sang.

Harley McLaughlin presented a project talk on her beef project, that she will be taking to the fair. She also brought two different halters and demonstrated when each halter is used. Julia Amend also shared a project talk on her bucket calf from the previous year, and told all the things needed to raise and show a bucket calf.

Donovan Brewer did a demonstration on how to make sheet pan sugar cookies and showed how the end product looked with lots of delicious frosting!

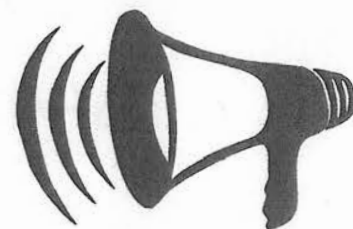

Hudson Harder performed talent and played Silent Night on his ukulele. Club members and families started singing along with Hudson and enjoyed the Christmas music.

Concluding was recreation. It was a club gift exchange, which was led by the parent committee. All members played including little siblings in a game of musical chairs and the 4-Her without a chair selected a gift.

The Anderson and Worrell families served refreshments. The January meeting will be held at Emmaus Church at 7pm on January 10, 2022. Merry Christmas and a Happy New Year!

News from the Manor

Good Words from Chaplain Norm

What a wonderful time of the year! Christmas, WOW, it is just Amazing!

We have been in the midst of the Advent Season.

Advent: A time of preparation, so that we might honor the one who is coming. We have been experiencing the advent with the residents, during our Wednesday morning services. The first element was Faith (Hebrews 11:1), which becomes the foundation for us to accept the call that God has on our life. Mary and Joseph chose to accept their call by faith. The second element was Peace, since we are preparing to receive the Prince of Peace. (Isaiah 9:2-7). By faith we accept the gift of peace and choose to walk in it. The third element was Love. (1 John 4:7-21) By faith we acknowledge that Jesus is the Son of God. Thus God lives in us and we in Him. God is Love! The fourth element of advent is Hope (Romans 8:18-39), by faith we have a hope for a future that is as bright as the promises of God. The fifth element is Joy, (Luke 2:1-20), which we will celebrate together on Christmas Eve. That Joy stems from the coming of our Savior, Jesus Christ!

So Rejoice, For He Is Coming!

Opportunities abound so please pray about how you might be able to be part of what God is doing at Wheat State Manor!

Please pray for the Lord to make Himself evident in our residents, our staff and our community.

Thank you for all you do for Christ!

Butler Community College—El Dorado Campus

After a series of more mild storm seasons, you may feel a little rusty when it comes to Kansas severe weather. Would you like an opportunity to learn more about how our storms develop and what to do if you come face-to-face with hazardous weather? Would you like to be able to tell at a glance if a storm has the potential to become dangerous, and would you like to know how to stay safe from a storm's hazards?

If so, plan to join us for an evening of severe weather education with our local
National Weather Service meteorologists!

This program is open to the public and offered free of charge. No pre-registration is required. If you are interested in learning more about how severe weather works and how to keep yourself and your family safe when storms are threatening, join us for this fun and informative presentation!

If you have any questions, contact Butler County Emergency Management
at (316) 733-9796.

*This program is the result of a cooperative effort
between Butler County Emergency Management and
the National Weather Service Office in Wichita.*

Frederic Remington Area Historical Society Program

Monday, April 4, 2022 at 7:00 pm at Remington High School,

8850 NW Meadowlark Road, Whitewater, KS 67154.

Carmen Fasnacht will present *"The Cox House: A Homesteader's Legacy"*. Imagine if you were a Kansas pioneer with your new 160 acres of prairie, what kind of house would you build? Would you build a small wood frame house to get by, or would you build a limestone house that could stand the test of time? Carmen will tell the story of pioneer Warrick Cox, who built a limestone house in 1882 that still stands on her and her husband Andy's property between Peabody and Burns. It is just one of many stone houses and barns in our area and on up into the Flint Hills, made with locally quarried limestone.

NORTH BUTLER 4-H CLUB

February 2022 North Butler 4-H Club

By Reporter Cora Brackenridge

The February North Butler 4-H Club meeting was held on Valentine's Day! Harley McLaughlin called the North Butler 4-H meeting to order on February 14, 2022. The 4-H Pledge and Flag Salute were led. Roll call was "What is one of my 4-H goals this year?" and 19 members responded.

The leader's report was given and Debora handed back the 4-H Club Day ribbons to members that participated. Debora also gave thanks for the wonderful flowers and card that were given to her by the club.

The meeting was adjourned to a night filled with 4-Hers sharing their public speaking and other skills through multiple presentations. Carson Brackenridge gave a parliamentary talk about how and when to make a motion during a meeting.

Gracia Brewer gave a show-and-tell on her fun sewing projects that she has done.

Makenzie Creekmore gave a project talk about her floriculture and how she creates a floriculture display. Caleb Klingenberg gave a demonstration on how to make an easy and fast after school snack of energy balls, which he showed what ingredients to use and how to make them. Cora Brackenridge also gave a demonstration on using fabrics, she gave that talk at Club Days and she talked about different types of fabrics and how they can associate with different seasons and occasions. Rustin McLaughlin talked about her sewing projects from last year and shared how she made a bag that looked like a cat and that she could take it to sleepovers to use to both carry clothes and use it as a pillow. Anna Klingenberg and Donovan Brewer both presented musical talents of playing songs on the piano.

Announcements included to have the club consider participating in the following community service activities, performing at the Whitewater Christmas event again in December, opportunities to sing and pack necessity bags like Chap Stick and hygiene items with local churches.

Fun recreation ended the evening with the 4-H'ers having great energy from a fun recreation activity of sock dodge ball led by Maya Klingenberg. Socializing occurred with the refreshments served by the Brewer family.

NEW ADVENTURE PACK: STRATACA

Adventure Packs were added to the library collection in 2021. They include a Membership Pass, Location Information and Adventure Pack Brochure. In a nutshell, anyone who has a Whitewater library card can check out and Adventure Pack and visit any of these places for free!

Current packs include Botanica, Cosmosphere, Exploration Place and Tanganyika. Negotiations are still in process for 1 or 2 more new packs.

Because so many patrons requested it, we added **Strataca: KS Underground Salt Museum** to the Adventure Pack collection this spring.

Packs for the Kansas Aviation Museum and Wichita Art Museum will not be renewed due to low usage.

Contact the library to reserve an Adventure Pack. For complete information visit our website or pick up a brochure in the library entryway.

KANSAS STATE PARKS PARTNER WITH LIBRARIES

Kansas State Parks has partnered with the Kansas Public Library System to provide **free, daily vehicle permits** to Kansas library patrons so that all Kansans can visit Kansas State Parks without the financial barrier of an entry fee.

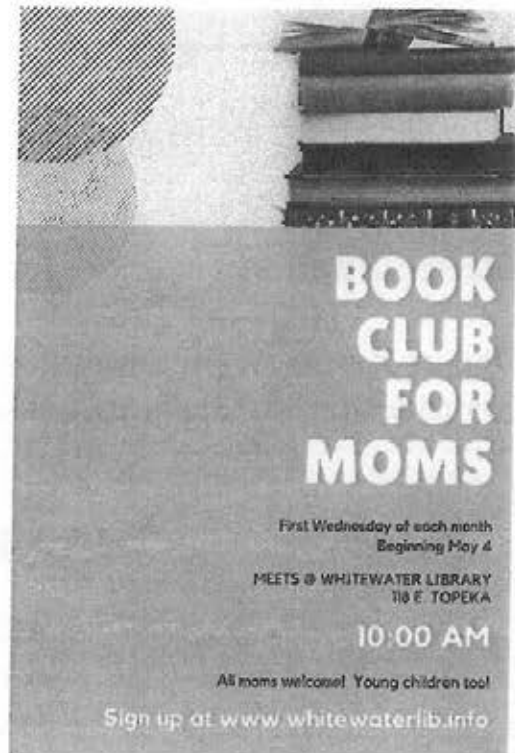

The library has taken advantage of this opportunity and we have a stack of park passes ready to hand out to our patrons until they're gone at no cost to you! Here's a few things you need to know:

- *choose the date you wish to visit a state park
- *stop by the library and ask for a Kansas State Parks vehicle permit
- *each issued vehicle permit will be good for one day only, which will be written by library staff on the front of the permit
- *park permits do not need to be returned to the library; they can simply be discarded once the patron is done using the permit or when the permit expires
- *patrons using these daily vehicle permits are responsible for displaying the permit in their vehicle windshield when entering a Park

For more information about the Parks, visit <https://ksoutdoors.com/State-Parks>.

NORTH BUTLER 4-H CLUB

March 2022 North Butler 4-H Club

By Reporter Cora Brackenridge

Parent's Night! The North Butler 4-H Club parents led the March 14, 2022 meeting and covered the offices of their 4-Her. Noah McLaughlin called the 4-H meeting to order. Ann Brackenridge led the Flag Salute and Anna McLaughlin led 4-H Pledge. Roll call was "What is your favorite sport?" was answered for each 4-Her by their parents and 14 members were present.

Detailed February Minutes were read by Mindy Amend and accepted as read. Brett Klingenberg provided the Treasurer's Report.

The leader's report was given and Debora Classen shared for members that have completed YQCA to print completion certificates as the vendor is changing. Each 4-Her that has animals has to complete YQCA. April birthday was celebrated with singing *Happy Birthday* to Cora Brackenridge. Other announcements included that Ron McCune will help halter break or other help needed with beef project, bucket calves will not have an EID tag, because of shortages, but will have an ear tag. A thank you was read from the Butler County Extension team for the toys given by the 4-Hers for the Butler County Christmas Toy Drive. The meeting was adjourned to an educational and entertaining program. Jill Harder presented an illustrated talk on how agriculture knowledge opens up many career opportunities. She shared details on her 6-month internship at Walt Disney World Animal Kingdom. She worked with the elephants and observed behaviors and how they interacted with each other and their environment. Bonnie Brewer provided Tips and Tricks from a Foods Judge. Key insights shared were to chill the ingredients for a pie-crust, have fresh ingredients, and for baking pans grease using a paper towel with Crisco. One of her questions was, "How does she prepare to eat all the food when judging?" she answered that she eats mostly protein the day before, a light breakfast day-of and only takes small bites. Luke Amend provided a demonstration on How to Change a Bicycle Tire. The 4-Her's were very attentive in observing his tire changing tools, especially his small air pump that fits under a bicycle seat. A trick he shared to easily replace an inner tube is to slightly inflate it before putting it into the tire. Kiley Miller did a talent and she got her guitar out and played *On Top of Spaghetti*, and Hudson Harder did the big Achoo! Lastly Kiley played one of the best songs for Kansans to sing, *Home on the Range*!

Refreshments were enjoyed by the attendees and provided by the Brett Klingenberg and Grant Klingenberg families.

FREDERIC REMINGTON AREA HISTORICAL SOCIETY TOUR

You are invited to join the Frederic Remington Area Historical Society on a tour to learn about the ancient city of Etzanoa on Saturday, May 7. Etzanoa, which is believed to have had a population of 20,000 people in 1600, was located near Arkansas City, KS and may have been the largest prehistoric Native American city in the U.S. and Canada.

We will meet at the Cherokee Strip Land Rush Museum outside Arkansas City (the address is 31639 US Highway 77) at 10:00 am. We will watch a film on the history of Etzanoa and then visit three sites, including the confluence of the Arkansas and Walnut rivers, the battlefield and chief's lodge. These are sites where excavations have uncovered artifacts of Etzanoa. The tour is approximately 2.5 hours and does not consist of a lot of walking; mostly standing. We will follow the tour guide in our own vehicles to the site locations. Water and bug spray are recommended. Participants will also have the opportunity to visit the museum.

The fee for the tour is \$10 per person unless you are a member of the Frederic Remington Area Historical Society. The Frederic Remington Area Historical Society will cover the cost of the tour for members and their family. It's not too late to become a member of FRAHS. Membership is \$5 for an individual or \$10 for a family.

Call or email by April 22 to reserve your spot. Eldon Esau, President of the Frederic Remington Area Historical Society, can be reached at (316)284-4764 email: eldonesau@yahoo.com or Nancy Entz at (316) 799-2207 email: nancyentz1@gmail.com.

DISCOVERING OCEANS OF POSSIBILITIES

Summer 2022 is upon us and library staff members have been madly planning and scheduling activities and events for Summer Reading. We've even "hired" an interior decorator (*translation: drafted my sister-in-law*) to create fun ocean-themed spaces in the library.

The Kickoff is set for Monday, June 6, beginning at 1:30 pm. **Chilly Goat Shaved Ice will be onsite offering FREE SHAVED ICE to everyone who registers between 1:30 and 3:30 pm.** Don't want to register? Chilly Goat will be happy to sell you shaved ice!

More will be happening that day so watch for more info in all of the usual places. Other things on the schedule include Take & Make crafts, BLOCK Party for 8+, Story Time, Crafting with Food, Shell Shock for all ages, movies and water events. Oh, and there will also be reading involved!

Adults, we have not forgotten you! We are working on a couple of events but don't quite have them nailed down yet. Stay tuned.

April meeting 4/11/2022

Reporter Cora Brackenridge

Double the 4-H Power! The North Butler 4-H hosted an exchange meeting with the Hickory Helpers who led the 4-H pledge. Harley McLaughlin called the meeting to order with roll call being "My favorite super hero is..." and 21 members answered.

The treasurer's report was given with no change in finances. The Leaders report was given and special dates to remember are market lamb and goat tagging on April 28th and the Butler County Black/Gold show is on May 7th.

We welcomed 4 new members Range, Rec, Ben, and Wyatt with all receiving a fun goody bag from Debora. Happy Birthday could be heard throughout the gym. There are five birthdays between the April and May meeting, Happy Birthday to Paige Goebel, Donovan Brewer, Gracia Brewer, Julia Amend, and Carson Brackenridge.

The meeting was adjourned and Ella Amend presented a woodworking project talk on what and how she made candle holder out of three pieces of wood and for the legs used horse shoes, she received a Grand Champion at the 2021 Butler county fair and also entered it at the State Fair.

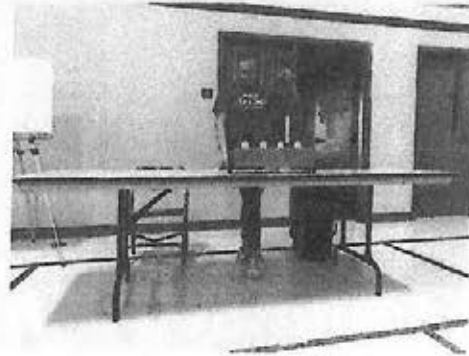

Cora Brackenridge provided a talent on the piano, playing *New World Discovery* by Martha Mier.

Refreshments of marshmallow and fruit skewers, Easter treats, cookies, and juice were served by the Brackenridge, Goebel, and Ensz families. Artistic skills were demonstrated by 4-H members creating Easter cards for the Whitewater Nursing Home, Wheat State Manor residents.

Next 4-H meeting is on May 9th at Emmaus at 7pm.

SUMMER READING

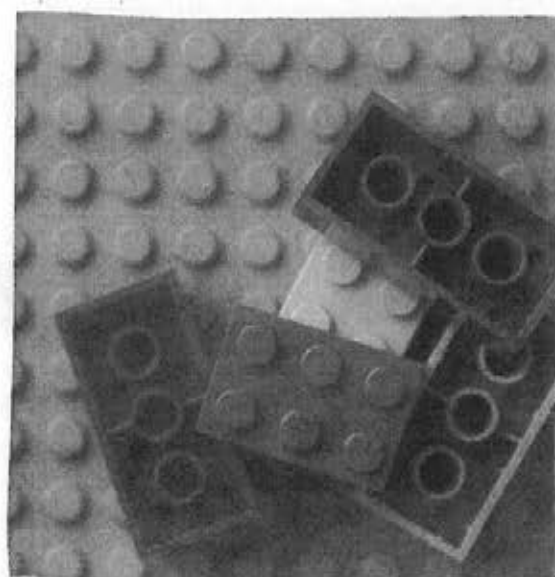

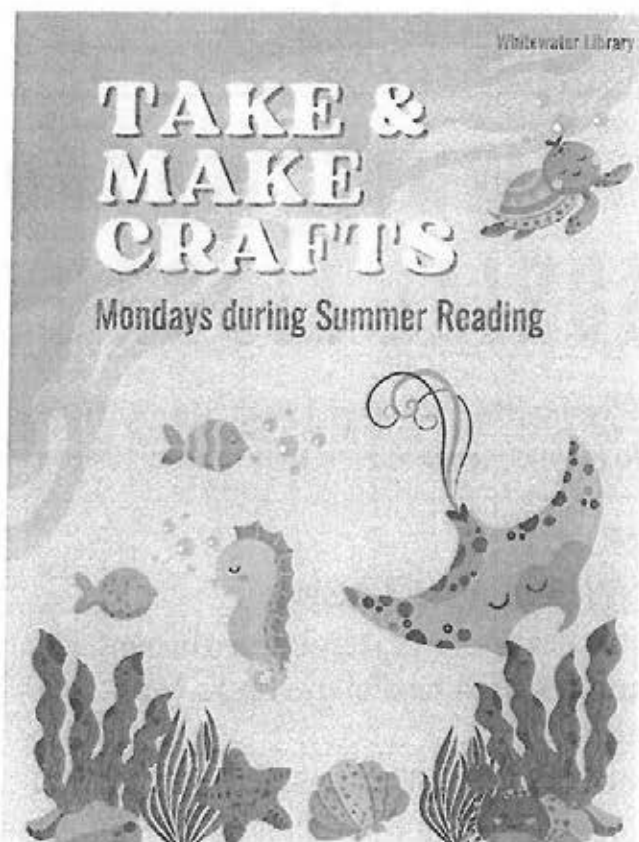

KICKS OFF WITH A SPLASH!

One might think that running 176 people through the library in 6.5 hours would be a shipwreck. Well, one would be wrong.

Instead, the Oceans of Possibilities Summer Kickoff was a tsunami of fun! Chilly Goat Shaved Ice served free shaved ice to all who registered for Summer Reading on that hot, humid day.

A representative of the KS Dept. of Wildlife & Parks taught aspiring fishermen to cast and catch fish. Currently, 236 readers have registered.

NORTH BUTLER 4-H CLUB

May 2022 North Butler 4-H Club Meeting Minutes

By Cora Brackenridge, Reporter

Harley McLaughlin called the North Butler 4-H Club to order on May 9, and Maya and Caleb Klingenberg led the 4-H Pledge and Flag Salute. Cora Brackenridge stepped in for Ella Amend as secretary and roll call was "My favorite 4-H project is..." and 21 members responded. Caleb Klingenberg gave the treasurer's report and there were no new changes to the ending balance. The leader's report was given and asked everyone to mark June 21 on our calendars as the 4-H club can make cakes for the June birthdays at Wheat State Manor Nursing Home. The 4-H mini fair is June 18. Each 4-H club in the county has been asked to make a gift basket for a silent auction. The 4-H members decided that the club basket will have a Movie Theater them and Lucy and Mackenzie will shop for the gift goodies. Noah McLaughlin donated \$30 for the shoppers to spend for the basket. Lastly, in the leader's report members answered enthusiastically, "how many more days until school is out?", followed by handing out candy.

The meeting was adjourned and the exciting program started. Carson Brackenridge provided a parliamentary activity with members learning by using cut out papers with ideas on different procedures and how to respond to the president. Real turtles were in attendance for the 4-Her's to see up close! Benjamin Patton shared a show and tell on his painted and red eared slider turtles, named Pip, Pepperoni, and Faming Jo and explained how to take care of them. Selah Patton presented a project talk on how she created cool designs with pictures she drew on a personalized wooden box. Maya Klingenberg did a demonstration

Talent was by Carson Brackenridge. He played *Mary Had a Little Lamb* on the recorder. The attendees had fun working together for a community service project of assembling snack packages for sack lunches that the Furley United Methodist Church provides once per month to an Open Door service helping homeless.

Refreshments were served by the Harder family.

Have a Wonderful Summer!

In Spring of 2022, the WRCFD responded to a serious vehicle accident in which, fortunately, five responders were on the scene. This incident involved one vehicle with a single occupant who was trapped inside with serious injuries. The roof of the vehicle had to be partially removed so responders could gain access to the patient. The vehicle came to rest in a very hazardous position/location, which intensified the situation.

Numerous extrication tools, including the Jaws of Life and other metal cutting equipment had to be used during the incident. The patient was ready to be removed from the vehicle by the time the medic unit from Newton Fire/EMS arrived on scene. Due to the efficiency of the five responders and Newton Fire/EMS personnel, the patient arrived at a trauma hospital in Wichita within one hour of the WRCFD being initially dispatched.

"Oceans of Possibilities" was a fun summer theme! We learned about seashells, whales, jellyfish, submarines, sharks, pirates and even beaches! Did you happen to see the "ocean beach" in the library playground?

We crafted with food, built with Legos, listened to stories and played in the water!

Many photos are posted on the library Facebook page, and before you say, "I don't do Facebook," please know that the library's Facebook page is PUBLIC. That means you DON'T NEED an account, and all you have to do is type facebook.com/whitewaterlibrary to see what's happening!

It always takes more people than just the librarians to plan and run summer activities. Many, many people offered ideas, help and encouragement that we needed and very much appreciated. Included in that group are:

Steve and Kim Fisher, Terry and Diane Reddout - Decorations

Cherry Stucky - Story Time, Seashell collection and presentation

Betty Hansen - Seashell leis, Parrot magnets, Gummy Pineapples

Diana Mannheimer - Seashell collection

Friends of WML: Grand Prize ship building kit

Adalyn Wyant - lots and lots of shelving

Victoria Harder, Cassie Klingenberg and Jacy Busenitz - Usborne purchases funded ocean-themed books

CHLORINE NOTICE

As you may know the City of Whitewater receives its water from the City of El Dorado. This water is treated to ensure the safety of each of their water customers. However, most summers, due to extreme heat, the level of chlorination in the water coming from El Dorado that has been treated drops. When this happens it is necessary for this water to be treated at the pump station belonging to the City of Potwin and the City of Whitewater in El Dorado. When it is necessary for this to be done you may notice a stronger than normal chlorine smell and taste in the water.

This treatment is necessary to ensure the safety of the water flowing in the pipes which is of utmost concern. We do not know ahead of time exactly when the water that has been treated at the pump station will arrive because the timing depends on the amount of water used prior, during, and after our treatment of the water. The chlorine level of the water is tested on a daily basis and as soon as this level drops measures are taken to maintain a safe drinking supply.

Thank you for your understanding regarding this matter.

Frederic Remington Festival: Thank You's All Around!

The weather couldn't have been more perfect for the festival on Saturday, October 1, and Sunday, October 2.

A huge THANK YOU to the Friends of the Library for the Book/Bake Sale, which earned over \$800 for library materials. If you are a Friends member, book/bake sale donor, setup/tear down volunteer or shopper, we appreciate you!

The Kids' Pedal Tractor Pull volunteers were a super hard working team made up of Doug Thiessen, Gavin Wuthrich, Jude Bowlin and Levi Gaudern. Thank you, Guys! As always, we appreciate the loan of the pedal tractors from Frank Kaster of El Dorado.

SERVING NEWTON &

SURROUNDING COMMUNITIES

A heartfelt “Thank you!” to all who contributed to this year’s festival in some way: donations, volunteering your time, and, most of all, your attendance.

Frederic Remington, world-renowned artist and sculptor, is this area’s “claim to fame”. He lived for a brief time between Potwin and Elbing. Did you know that he was also a sheep rancher? Art and agriculture are still very much a part of our community, and many of the festival events tie into one of those.

Looking forward to seeing all of you at the
2023 Fred Fest!!

Christmas Wishes Program

With joy and excitement, Vintage Bank Kansas-Whitewater and RMS KAY Club are pleased to announce we will be sponsoring this year's Christmas Wishes Program!

Through the Christmas Wishes Program, we will be collecting new toys and warm clothing for children of deserving families in the Remington USD #206 school district. This is a wonderful opportunity to bless local children of families who might be facing financial hardships.

Families are welcome to request assistance or can be nominated by completing a form located at Vintage Bank Kansas-Whitewater, Whitewater Memorial Library, Whitewater Area Food Pantry, Whitewater City Office, Potwin City Office, Potwin Public Library, and Remington USD #206 schools.

Last year we added Wheat State Manor residents to our Christmas Wishes Program. Resident names were given to us by staff at WSM for those who may not receive a Christmas gift.

An anonymous tag will be placed on a Christmas tree at Vintage Bank Kansas-Whitewater. Each tag will represent a child or WSM resident and will contain information needed to provide something they want, something they need, and/or something to read.

Please take this opportunity to join us, with giving hearts, to share the spirit of Christmas with a local child or WSM resident by selecting a tag!

Important dates:

- Nominations will be accepted through **November 25th**.
 - o Tags will be available for choosing at Vintage Bank Kansas-Whitewater at 126 S. Main St. on **November 25th**.
- New, unwrapped gifts with the tag attached should be returned to Vintage Bank Kansas-Whitewater by **December 16th**.
- Gift pick up will be at Vintage Bank Kansas-Whitewater on **December 23rd**.
 - o If you cannot pick up gifts on December 17th, please contact the bank about other arrangements.

For more information, please call **316-799-2137** or email kbartlett@vintagebankks.com, alewis@vintagebankks.com, or cmatthews@vintagebankks.com

Council meetings are the 4th Monday of each month at 7:00 p.m. at the City Building, open to the public.

Mayor: Brady Gragg, Council: Jeffrey Artman, Grant Bowlin, Trent Clark, Dennis Nelson, Kenneth Stringer

October 24, 2022

Resident, Thelma Edris addressed the council again about the drainage down her back alley and leaves in the curbs. City Maintenance, Don Berg reassured her that the leaves would be taken care of and that there was not much that could be done regarding the alley at this time. Resident, Mary Potter addressed the council regarding water/sewer bill. Council member, Jeff Artman responded to her concern and explained this is how the city ordinance has been for years and that the new software update reflects that. Sharon Entz extended many thank you's to the city, Don Berg and community for the successful Fred Fest.

Mayor Gragg is doing research on franchise fees for the city. Health & Environment board met with residents and suggestions of acquiring a fence permit. City Council passed Ordinance #636 continuing with Waste Connections for trash service. Maintenance, Don Berg introduced Brandon Maus as new city maintenance. Smoke test did not find any defects. Many thank you's to the Whitewater Church Youth Group for their clean up with Fred Fest. Council accepted Graber Backhoe \$6K bid to bury pipe between Potwin & Whitewater. Paving streets pushed back to summer 2023. Deputy Tom Moore has been meeting the community and visiting the schools. Council shared their concern of traffic on Main and Central. A reminder of the designated trailer parking area. City Clerk, Heather Thiel shared that Camille Lago had been hired to clean. Halloween around the corner and city prepared with the help of Kathy Wiebe. Council was adjourned.
