2026**

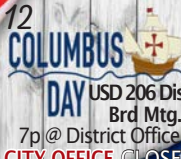

OCTOBER 1776:

October 26, 1776: Benjamin Franklin set sail for France to secure the alliance that would help win the Revolution. Without his diplomacy, there might not have been a 250th anniversary to celebrate in 2026.

"O suns and skies and clouds of June,
And flowers of June together,
Ye cannot rival for one hour
October's bright blue weather."
— Helen Hunt Jackson (1830–1885),
Calendar of Sonnets

September City Council Highlights

The City Council met September 28 and took action on several items affecting City operations, planning, infrastructure, and upcoming community projects.

COUNCIL ACTION

- Planning & Zoning Bylaws were approved with a three-year term provision added.
- Ordinance 647 annexing a small tract near E. 1st Street and zoning it R-1 was approved.
- Resolution 2026-0928 adopting new information-security policies and the revised Policy & Procedure Handbook was approved.
- Mark Stiles was appointed to fill the vacant Council seat through 2027.

CHICKEN ORDINANCE

Council reviewed 41 community survey responses regarding the City's chicken regulations. Discussion included the number of chickens allowed, the \$20 registration fee, required distance from neighboring homes, and definitions for "dwelling" and "fowl." Updated language will be brought back to Council for consideration.

CITY PROJECTS & IMPROVEMENTS

Four fire hydrants are planned for replacement along Topeka Street. The City plans to rent a street sweeper before Fred Fest rather than hire a contractor. A new 4-inch water line has been installed at the ballfield for future improvements. Council reviewed options for ADA door improvements at City Hall and the Library and will explore grant opportunities.

LOOKING AHEAD

Council began discussing 2027–2028 priorities including street and water-line replacement, infrastructure grants, downtown improvements, playground upgrades, a dog park, the Scout House, practice fields, and the USDA lift-station grant.

Next Council Meeting: **October 26, 2026 • 7:00 PM**

All are welcome at City Council meetings.

Public Comment time is available at the beginning of each meeting;

Please keep it to 5 minutes per person when addressing the council.

To discuss a specific topic, please contact the City Clerk to be placed on the agenda.

Agenda deadline is noon the Wednesday before the next meeting.

Full minutes will be posted upon approval: whitewaterks.gov

★ A MESSAGE FROM FESTIVAL CHAIR SHARON ENTZ ★

- ★ Wow! We couldn't have asked for a better festival weekend – sunny, 70s, slight breeze!
- ★ But, what was even better than that was seeing so many people come to enjoy all the fun events, catching up with friends and neighbors, and meeting someone new. I must say it again – we live in

★ THE BEST COMMUNITY! ★

- ★ A few special thank-yous – our City Crew put in hours behind the scenes (cleaning, setting up, posting festival info on the website....), and the Park Board saw an immediate, unplanned need and jumped in to provide supper food for hungry festivalgoers!
- ★ We appreciate all who gave of their time to help in any way – to help run an event, allow their personal artwork to be on display for everyone to enjoy, have a float in the parade, act in the drama, enter a pie in the food contest, and so much more.
- ★ Please take the time to thank someone for their part in the weekend!
- ★ I hope all of you have your own wonderful memories from a weekend spent with friends, old and new!

Your Festival Chairman,

Sharon Entz

★ THANK YOU TO OUR FESTIVAL DONORS ★

WILLIAM AVERELL'S PERILOUS RIDE

Monday, Nov. 2, 2026
7:00 P.M.

Center Point Church, Whitewater
Free and Open to the Public!

Presented by:
Denise Busenitz

What started as a quest to validate the memory of an early Butler county settler, turned into a discovery of a fascinating tale of daring and incredible circumstances, that led through Butler County in May 1861.

HISTORY HIGHLIGHTED Whitewater

By the time the Rock Island railroad was built this far in 1887, it was known that a town would materialize at the railroad intersection. Building materials, farm implements, grain, and livestock were all transported on rails. The opportunity of buying and marketing in four directions was huge and rare.

The businessmen of the two nearest towns were planning and preparing for relocation. This was not a new concept. Plum Grove, a few miles northeast, had already experienced growth and demise by businesses and churches leaving for the new towns of Potwin and Brainerd. However, the idea of two existing towns moving to a central location was little short of a phenomenon.

The first building moved from Brainerd was a house. It was across Elm Street from the Library and was torn down after a fire in 1889. The first building moved from Annelly was a store building placed on the SW corner of Main & Topeka (white building right side of photo). That building burned down in 1912. Mr. Penner then built the large two-story building which is 201 S. Main.

**A NEW WHITEWATER
TRADITION
is Coming...**

The City of Whitewater is beginning a new tradition —
an annual Christmas Ornament Collection
celebrating the landmarks, history and people
that make our community home.

 THE INAUGURAL 2026 ORNAMENT
will be available in a limited edition of 250
at Christmas on Main this December.

MORE DETAILS COMING IN NOVEMBER!

A little piece of Whitewater to hang on your tree.

A whimsical illustration of a Halloween scene. In the center is a small, dark grey haunted house with an orange roof and a chimney. A large, bright orange full moon is in the background. To the left, a black witch's hat with an orange band and a small orange pumpkin are visible. A black bat is flying near the moon. Several pumpkins are scattered around, including one with a carved face. A tombstone on the right reads 'TRICK OR TREAT'. The scene is set on a dark, rocky ground with some bare, black trees.
